

CHARITY SCAM RED FLAGS

🚩 Unsolicited Solicitations

Be wary of unfamiliar organizations that contact you for donations.

🚩 Claims of Urgency

Charities rarely need donations *right now*. Take your time and ask questions.

🚩 Weird Payment Requests

Real charities won't demand gift cards, wire transfers, or digital currency.

🚩 Similar Sounding Names

Impostor scams are common. Watch out for names that sound not-quite right.

🚩 Pop-Up Charities

Scammers can quickly create fake charities in response to disasters.
